Complying with the duty to verify a booking confirmation

Please check all the information contained in this booking confirmation carefully. You are required to notify us of any mistakes it contains immediately and no later than on the date the booking is made. If we do not receive notification until after the booking date it may no longer be possible to make any corrections or changes etc. for the same price and/or the same dates and/or the same routes.

Please note the following points:

1. It is essential that the names of the traveller(s) on the travel documents match the names in the passports/identity cards they are carrying.
2. The travel schedule and confirmed prices are in accordance with those applicable at the time the confirmation is sent. However, please bear in mind that the service providers (airlines, hotels etc.) expressly reserve the right to make changes to the prices, currency exchange rates and flight schedules at any time.
3. All of the prices quoted are only valid at the time a booking is made.
4. Like other travel agencies and airlines, HRG is required by law to provide customs and immigration authorities with the flight and booking details of all passengers.
5. The terms and conditions of the service provider concerned for travel, rebooking and cancellation, and the limitation on liability of the IATA which are accessible at www.iatatravelcentre.com/tickets apply at all times.
6. Flights must be cancelled prior to the specified check-in time since the airlines will not, as a rule, guarantee reimbursement for "no-shows".

Please note that some airlines insist that flight coupons are used in the order they were booked. Boarding a flight late or missing a flight completely for example can lead to cancellation of the entire reservation and/or cause the airlines to impose an additional charge at the standard rate.

Check-in

Check in times may vary depending on your itinerary and airline - please check with the airlines to confirm check-in times. Airlines will not allow passengers to board flights after the specified check-in times. HRG recommends you use the online check-in service where possible to save time. For some airlines fees may apply when using their airport check in counters instead of self service machines or online check-in.

Baggage Conditions

Some airlines impose additional charges for carrying baggage – please check with your airline to confirm your entitlement.
